Email: kevinds2k4@gmail.com | +91-6379770811 | Portfolio: <https://kevinds.vercel.app>

Objective

Hybrid AI & Data Science Engineer with a strong focus on UI/UX design, machine learning systems, and data-driven interfaces. Final-year B.E. student at Panimalar Engineering College, building solutions at the intersection of machine intelligence, interaction design, and scalable digital products. Experienced in designing responsive interfaces, building ML prototypes, and developing user-centric applications using Figma, Framer, Python, and modern web technologies.

Education

B. Tech in Artificial Intelligence and Data Science, Panimalar Engineering College, Chennai | CGPA: 6.94/10 | May 2026

Class XII – State Board, JAWAHAR HSS, Chennai | 59.5% | Jun 2021 – May 2022

Class X – State Board, JAWAHAR VIDHYALAYA SSS, Chennai | 59.2% | Jun 2019 – Mar 2020

Technical Skills

Languages: Java, Python, SQL

Web Technologies: HTML5, CSS3, JavaScript, Wix Studio, Figma, Framer

Design & UI/UX: Figma (Advanced), Adobe Creative Suite, Responsive Design, Typography, Anima

Product Strategy: User Research, Wireframing, Information Architecture, Usability Testing

Projects

- **EXCHANGE EASE** – A trust-based digital barter marketplace.
- **CUSTOMER LIFETIME VALIDATION** – Customer relationship with the company.
- **SONG SUGGESTING AI WITH FACE RECOGNITION** – Customer-company relationship and engagement.
- **UI/UX DESIGNS** - KENHED PROSER, EXCHANGE EASE UI – UX Redesign, KENNIE SKATES E-Com Experience.

Internship

INNOVATE INTERN | IoT Intern | Chennai, India | June 2024

Completed a hands-on internship focused on **Internet of Things (IoT)** applications. Developed an **Automated Water Pump Detection System** using **Arduino** and sensor modules. Implemented real-time monitoring to detect pump activity, enabling efficient water management and system reliability.

Certifications

Oracle Cloud: Generative AI Certified (July 2024), Figma for UX Design, UX Foundations

Achievements

- Received **Student Coordinator Award** on Achievers Day for exemplary leadership and Designing.

Roles & Responsibilities

- **Student Coordinator**, AI&DS Department, PEC: Coordinated awareness programs and events promoting health education and community engagement.
- **Graphic Designer**, YRC Youth Wing, PEC: Designed promotional materials and visuals for campus events.
- **Member**, Leo Club of Mavericks (Lions International): Participated in service projects, awareness drives, and represented at district events.

Soft Skills

Communication, Teamwork, Time Management, Problem-Solving, Organization, Graphic Designing.

Hobbies

Fitness, Gaming, Travel, Photography, Volunteering.

Languages

English (Professional), Tamil (Full Professional), Hindi (Basic Speaking, Proficient Reading & Writing)
